Dear Ron:

I can't see how come you did not receive our confirmation letter re: our DX Broadcast of November 28, 1955.

However, I'm more than pleased to send this verification letter that you did get our CJEM DX on that date since all your information in your letter of May 6 is all correct.

The only reason I see is that the letter must have been lost somewhere. So, I hope this will be sufficient for your records as having dialed 570 on that morning for our DX broadcast.

Sincerely yours,

Bob Beaulieu,
assistant-manager
